DETROIT FREE PRESS ARTICLE:

The article about FRANCIS SHELDEN in the Free Press on 12-28-75 was received at post. Article depicts SHELDEN as wealthy bachealor who ownes North Fox Island & pays \$5000 taxes to LEELANAU CCUNTY. He takes Boys & friends to Island thru his generosity. He is on Board of Directors of CRANEMOK & devotes free time to BIG BEOTHERS.

describes him as educated with impressive ancestors. Tast D er Secson, I (assist Pres of Charlevoix Co) and his sons , visited with him at Island.

INTERVIEW GERALD RICHARDS:

of Port Huron, this date in Prosecutor's effice. Mr. DEMGAN offered RICHARDS immunity from further Prosecution of any crimes non-violent in nature in exchange for his Guilty plea to the present charge & his assistance in further investigation of others involved in crimes of indecency with youngsters. Assistance to include testimony if necessary. RICHARDS accepted the offer & proceeded to give undersigned information about SHELDEN and others. The interview was concluded w/o becoming too involved due to RICHARDS: physical condition. Subj is on verge of Nervous breakdown & is presently an admitted patient in Port Huron Hospital. He cried & had difficulty composing himself & in addition had been previously administered some type of tranquilizer.

REF: FRANK SHEIDEN. RICHARDS has known him for 2 years. Both subscribe to a Nat'l Publication "Better Life Monthly". This is a BI-FED (Ri-mennal - Pedophilia) oriented publication depicting sex acts by young boys. RICHARDS has advertised his MAGIC show & SHEIDEN contacted him by mail & they corresponded, using little invendos that revealed each others BI-FED tendencies. They finally met & SHEIDEN financed RICHARD's trip to a magician confention. RICHARDS has been interested in boys & Youth camps & when he leaked about the ISIAND, RICHARDS & SHEIDEN naturally thought about organizing the camp.

RICHARDS was with

and FRANK SHEUDEN in Battle Creek about

la years ago in a HOTEL. At this time he saw FRANK & commit oral sex in bed while

he & T were in another bed.

HICHARDS said that he & were lovers, however he stressed that he was not homosexual by nature, but a BI-FED. He allowed this relationship to degenerate into a bome sexual relation. I told him that he & FRANK had gone to the Island in March or April 1976 w/s telling him about it. They had sex together & on the way back FRANK put the Plane on AUCTMATIC PILOT & they had mutual Oral Sex. Thought this was to do this over Saginaw Bay in an airplane. RICHARDS also advised that heally endoyed the oral & anal sex act & was "Aggressive" so you couldn't blame the participating adult too much.

This post received a copy of station #23's complaint reference a FRANK SHELDON,

1. SHELDON
has been involved in immoral acrs with minor children in the Port

through a GERALD RICHARDS who was involved with SHELDON in these immoral
acts that SHELDON has a large quantity of pornographic literature and
also photographs and other materials depicting these immoral acts in his
home in Ann Arbor.

RICHARDS, who lives in Port Huron, has been arrested by station #23 and has agreed to assist in the investigation of FRANK SHELDON. Undersigned officer talked to D/Sgt. CRIMINAL SEXUAL CONDUCT FIRST DEGREE - YOUNG BOYS BEING DEBAUCHED BY MALE ADULTS

SEARCH WARRANT EXECUTED:

The search warrant was executed at about 12:20 A.M. on 7-29-76. This was at

There was no one home at the residence and several attempts were made to obtain a key to the residence but all attempts failed. Officers broke out a lower window on the front of the building to gain excess to the residence.

RICHARDS had previously advised the officers that the materials we were looking for would be located in three metal type cabinets located in the office of SHELDON's residence which is located on the lower level. Officer's found the metal cabinets, however, found no pornographic material in them. One of the cabinets did contain different correspondence, etc., however, nothing of a pornographic nature. The other two metal filing cabinets were empty. Officers checked the remainer of the office and the remainer of the lower level of SHELDON's residence and found no incriminating evidence.

REMARKS:

It is the decision of the Washtenaw County Prosecutor's office not to authorize any warrants against SHELDON at this time. The officer was advised that they will wait and see the results of the charges that are going to be brought against SHELDON in St. Clair county.

Undersigned officer made a check at the Ann Arbor airport and subsequently contacted the Gordon Aviation Agency. It was learned from Gordon Aviation that SHELDON had been in the Ann Arbor area on 7-26-76. At this time SHELDON advised the people at Gordon Aviation that he was flying to the state of Oregon.

It is the undersigned officer's opinion that upon SHELDON hearing that RICHARDS had been arrested on 7-26-76 that he did make a trip to the Ann Arbor area to his residence to remove or destroy any incriminating evidence that might have been there. It was learned from RICHARDS that SHELDON had been staying in Aspen, Colorado.

CONTACT WITH YFSILANTI STATE FOLICE:

Undersigned was contacted by D/Sgt Richard Todd, of the Ypsilanti post, who advised that they had attempted to obtain a search warrant for the Ann Arbor residence of SHELDON, however, due to the time lapse, no warrant would be issued.

TODD advised that if RICHARDS could be brought down to Washtenaw County, that then the prosecutor would consider issuance of a search warrant. Undersigned advised Sgt. Todd that the necessary, concerned parties would be contacted for a decision.

CONTACT PROSECUTOR:

As mentioned prior, D. FGAN advised that he concurred with the fact that it might be essential to expedite the issuance of a search warrant due to SHELDON being aware of what had transpired between RICHARDS. However, he was recontacted at 4:20pm for confirmation.

He further advised that RICHARDS had signed an agreement stating that he would cooperate with further investigation, and that this had been witnessed by his attorney, Jerry Edson, who was at present out of town. DEEGAN advised this officer to go ahead with the investigation.

CONTACT DR. KATZ, PSYCHIATRIST:

Undersigned contacted DR. KATZ, who was handling the treatment of RICHARDS, at Port Huron General Hospital. Dr. Katz advised that it would be satisfactory to take RICHARDS to the Washtenaw County area, as long as he (RICHARDS) agreed to go, and only under that circumstances.

Undersigned contacted RICHARDS, who advised that he would go with this officer to Ann Arbor, and that he had spoken with his father, and he concurred that he should cooperate with the investigation. Undersigned picked up RICHARDS at the hospital at approximately 5:00pm this date, for transportation to Ypsilanti State Police Post.

OBTAINING SEARCH WARRANT:

Undersigned and RICHARDS, met with D/Sgt Todd at the Ypsilanti post, and from there, proceeded to the Washtenaw County Prosecutors sub-office, and there met with assistant prosecutor John Stanowski. A search warrant was composed and typed by Stanowski, and from there, the 2nd District Judge contacted, Judge ELDON, signed the search wa rrant in the city of Ann Arbor, Michigan.

Dear Jerry- just a note to say that I how have a "Little prother" age 12, and very affectionate although quite innocent. Some camping trips may cure that. I have met several HL (boy lever) friends in this area, and also looked into foster care here. The CNR (Church of New Revelation) has recently received permenant IRS CIRARANCE for another FOUNDATION, the EDUCATIONAL FOUNDATION FOR YOUTH. Meanwhile I have been booking into Foster home possibilities in this area. The state pays foster parents \$180./child/month. Some homes which take problem kids get as high as \$400./month and the Federal Government pays as much as \$700./ month for kids in a runaway home. Al in all it looks like a good deal, and I hope we will eventually set momething up here Meanwhile we have acquired some property as a donation in Oregon. It is not suitable as a campaite, but it is worth about \$15,000. much of which can eventually go to help set up the camp, home, etc.

Anythan the keep in touch and let me know who things are going for you. Best, Dyer

Press of crime at Howard Johnsons Motel: Victim "dvised about crime, RICHARDS advised that he witnessed GROSSMAN "go down" on _ & saw them both naked in bed, also advised that GROSSMAN was back in the area in late August er september 1975 & stayed in Room #2 at the HOLIDAY INN in Port Huron. (He was on his way to the West Coast). He was alone with GROSSMAN in the room & they both performed mutual Oral Sex "69". (Officer has contacted Heliday Inn, (Sharen) at 984-2661 & the info as to registration is filed away. Clerk will look it up & advise). Also-advised that hely was at the HOWARD JOHNSON MOTEL before was on 8-2-75 and he & GROSSMAN had mutual Oral sex before GROSSMAN had it with (All confirmed by RICHARDS)

REMARKS:

Contact will be made with Federal agency having Jurisdiction (or MSP Operations to send letter to State Agency) Ref. GROSSMAN apparently abusing IRS laws, and converting monies intended for Child welfare to own use in sexually abusing boys. This could entail activity in California, Washington & Oregon.

& Actifity ref: PATHER "BUD" VERMILLE'S BOY'S FARM, MONTRACLE, TENN, 37356. If MSP sends letter, will send obscene photos thru HQ for referral to Tennessee local Police for possible ID of participants. (or will let Federal agency having jurisdiction.)
